R...,
run !
Argh -

Damn
....

You ...

Cut it out ! Are you trying to show off in front of weaklings ?!
You must be surprised. Hearing what she had to say from her pretty face...
Did you forget? Those weaklings tried to gang up on you with wooden clubs !
I can understand such cowardice.
They are weak. They have a handicap. They needed something to fill the gap.
Even I had to use a bamboo sword against a strong foe.

JS
Hmm, your face is A plus. The female might just get too jealousy of you.
You are quite charming.
Are you interested in me?
Your face, yes.
You are interested in Aram ..., you always longed for fights and not went for girls ... You've grown.

It's good to see that you are going down to the right path. I give me permission to like Aram... err me.
Too much of self-confidence you have.
Isn't that... Honda CBR 929 ?!
I don't mind even if you break it.
I can't even dare to look at it ! It's so shining ! Can I touch it ?

I have seen CBR 900, but haven't seen CBR 929. This is my first time seeing one.
Is she a bike mania ?
It must feel like wind when riding one of these. I am feeling jealous. Who did you rent this from?
It's mine.
Don't joke me ~ ! One of those cost at least 1.000.000 won.
I have been riding it since last year. I got bored of it.
Last year ? No way..., you and I went every used bike store and barely got one in the end...
Jackass, he kept it secret because he didn't want me to ride.

Should I kill him now? I thought he was a real friend. I even shared a lunch with that dude.
I can give it to you if you want it.
wait,
I was going to get newer one anyway.
R..really ? Can I ....
Nevermind, jerk ! I don't need it !
what a jerk
He wouldn't even let a friend ride and give it away to a girl so easily ?

No wonder people say friendship is nothing in front of love
Why did you suddenly change your mind I am willing to give it to you with no condition or whatsoever
Go away I said I don't need it
Because of your such a aggressive personality you get gang up
Seeing your bruise and such it looks like you had a big fight 2 or 3 days ago
My face may have turned out to be like this but I won against a gang
No kidding I guess you are strong despite of your appearance

ep
This body is weak but I've trained it
He is super fast
He has already detected Ha li and manipulating her
Which school do you go
Ah Seong Hak
That rich school
No wonder your uniform looks high quality
It may look good but it s not that good when fighting
The waist of skirt is too tight

Do sound funny
There is someone who speaks just like you do She's so simple and always interested in dueling and such
Dude – did he make new friends? How did you get such a weird friend
Please it's you
You just remind me of her

have to go now. Give me your cellular phone #
don't have a pet named like that

What are you doing
Giving you my number
I know your number
You idiot Aram doesn't know his number
Ah I mean I don't need to know your number
Well it doesn't matter I will go to your school
See you around I seem to like you

Looks like he likes Aram very much
Once I get into my body I will make fun of this
I felt someone was shaowing me. Did he send you?
I am sick of this go away
our brother has strictly ordered us

will not repeat
again you are
dismissed

Oh and
you save that
girl right
Do some
background
search
on her

don't think
you need to
get your hands
on his girlfriend

will take care of this
So please stop what
you are trying to do
understand that I've
lost my creditability since
failed you once before
Are you saving
that girl is Te Hu Kang's
is that what
you are saving

That bastard
he sure have a gir
that explodes me
from inside
guess
should be
thankful

Ah
forgot to ask
Han Seo about
Te Hu's incident
But
no way
could it have
been Han Seo
Still Han Seo especially
disliked Te Hu for some
reason
But attacking with a bat
when Te Hu's guard
was down
It's not his style
There are
people who
value their
emotion higher
than logic
Do you
know
something
don't
am not
telling you

Well since he can't lie he can't deny
Just say so
How long have you known Han Seo
I met him during middle school It's been 3 years
Dude - he was a famed jjang at that time Even high schoolers were afraid of him
You defeated him
When I was Ha Ii I was really strong I didn't want to fight but he provoked me
Actually I wasn't interested in being a jjang before I met Han Seo
But once I felt the taste of having power my idea about being a jjang changed

figured with
the power had
could have spent
my schoolhood
just the way
wanted
fe like
a loner
He s a nice dude
once thought him
as my best friend
She knows nothing
about him Well
she s too simple
and can only think
the way she wants
He s
dangerous
way too
dangerous
don't want
him to get
involved with
Aram in
any way

Look
It's Aram
She comes in
as if nothing
happened
She's ridiculous

She made Mi eong hospitalized et she looks as f nothing happened
heard she called her bodyguards She must have been wanting to revenge
Hey Kyeong Cheol Kim
ong time no see am hun
I am sorry but would like to stop seeing you for a while
Although heard that you dumped Sin Joo my feeling for you is not in havoc need time to think this over

Is it so fearing that I've defeated Sin Joo
He is not a sub-jjang material
Hmm
Jjang is always a lonely position to be
I think it was more fun when I was just a low-end in the gang
But
Our class is supposed to clean the garden
I guess princess doesn't want to get her hands dirty
Forget about Aram Let's do it by ourselves
Right the same genders are meaner to her

This is the power
Leaving me out of small stuff that's the ways to be loyal Being a gang is good
Just what kind of brain does she have to be able to think they have sworn lovality to her
Aram was going home alone today I feel a little sorry for her
Leave her be
Why are you avoiding her all the sudden Is it the rumor that she used her bodyguards to beat up girls No way would she have done that
Of course not she would have gottan a steel pipe to beat up if she had the time to call bodyguards

www.janimes.com

Small ones like you wouldn't know what a big one would think
Just watch Aram will soon fall for me
You are having a hope because you heard she broke up with Sin Joo right
Pitiful dude
This is why you guys can't exceed your limitations
The current situation Aram is in is isolation When she becomes tired of being alone I will come to rescue her
She will be weak by then So it will be no problem to make her mine
See It's not something you guys would ever manage to think of Aram will soon be my girlfriend

bet she will bend over at her worst time
ou are thinking that too
As f the thought was copied everyone seems to have the same thought
Should do it earlier
ou better do it before she chooses some other dude when she becomes weak
A Aram ~
ock the door

What s the occasion
Occasion ou made Mi eong hospitalized Don t you think you are getting away
ou are not getting a speical treatment because of your background
It s not right to ignore others among the same grade students with money
That s right ou should never ignore your friends just because of CBR 929 betray that s plain bad

www.janimes.com

Ou keep going over my head because your father runs Asan corp but my family can easily seize yours
What kind of family do you have
Seong Hui's father is Su Suk Choe
Who is that
He is the minister in government of education At least recognize his name
A minister in educatioin is that why you speak so bluntly
Seong Hui Get a hold of yourself
f you get lost in her pace you will lose

Janimes
www.janimes.com

With my skill
handling you three
will be a piece of cake
So you better stop
One of my rules is
not to have a one-sided
fight
T then
apologize
to Mi eong
Ok
feel sorry
about letting
Han Seo
get to her
anyway
A and
promise not to
approach
Sin Ioo again

Sin Too wouldn't have a thing left for you anyway The only reason he has been kind to you was because of the engagment
Yeah besides Sin Too wouldn't even get near you since you embarrassed him in public and all
I should apply for the secretary spot while Mi Myeong is absent
That'd be the most natural way
Kkya you even have a plan
So you want me to back off
So that you guys can fill the gap

www.janimes.com

As expected
a woman who s in love
can be extremely
dangerous
That amoeba suddenly
became a high tech
radar
Step aside
We were
going to let
you go
Wait Don't Ha li
the opponents
are only girls
isn't avoiding
one-sided fight
one of your
rules
Rules
It s meant to be
broken

헉
She has gone crazy ! Call a teacher !
Run !
!@#%
even broke Aram's engagement with him
Does the dude have some kind of super glue all over his body ? Why is that so many girls get attached to him ?

Should just lock him up Then this won't happen
she posses some insane degree of jealousy What is more scary is that she doesn't realize it
Where is Sin Too hiding haven't seen him all day Is he in the staff room
No he is not there
Then in the student council room
He is not there either Let's go home
Is he playing basketball then
Let's go home !!

www.janimes.com

Just watch where you step on
Are you using this tactics because you know that I care a lot for public image
I am not good at using tactics All I know is you said you lost
So what do you want me to be under your command
Obviously
Hey I don't know what's going on here But calm down

Why are you doing this now
You were the one who put a wall in this relationship
Are you trying to break the wall
A wall
I don't remember constructing such but if that is why you are pissed sure break it
Break the wall and I am not going to be your jjang So let's just be like we were
I would rather stay near him than let other bitches get to him
Moa s s
Moa s sight

am getting afraid of her desire to posses am even beginning to feel pity for Sin Joo
Are you saying that you regret ruining the engagement party
don't regret that will ruin 100 of those if have to
So you don't want this relathinship to be more than just being friends

www.janimes.com

Get lost
What an intense guy even I am feared

Considering he got even that ameoba shocked guess it really worked
s this how it s like to be rejected
It hurts What s this sensation Why s it hurting so much
wish had a friend at a time like this like Han Seo
Aram !

www.janimes.com

www.janimes.com

f you want to
Yeah We will be friends from now on
Yeah I will be your boyfriend

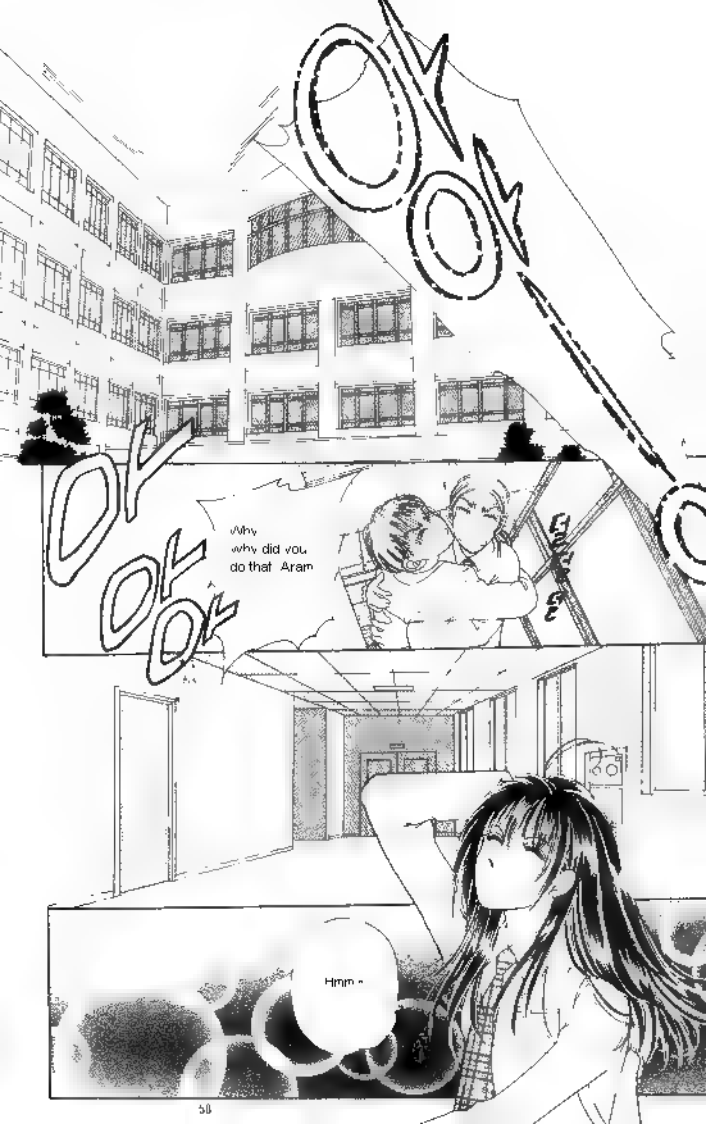
Ha Ji Kang Stop !!
Ah Aram



Why
why did you
do that Aram
Hmm

It's good to have a friend
I am glad I don't have fresh to be hurt and swollen like that
What's with you today? Have you lost taste? Or is the food not good enough

No it's not
What has gotten into you
I served your favorite food
What
How dare he
Sin Joo told me to get lost
Just ignore him
He is probably having an after-effect from the rejection
An arrogant kid like him would have never seen that coming
He is just like his father who is cheap and selfish
He is as cold as ice
I only let him have you because he seemed to have like you secretly
I've never liked the deal
So forget that worthless Sin Joo
You will find you a better man

www.janimes.com

Shut up you perverted old man
ou are no better than Sin loo and you have no right to curse him
Aram is Sin loo more important than me
Of course
Don't mind what she said her temper must have gotten to her
NO
Darling !
It s seriously huge

s it all right to touch a daughter of this kind of family
It s Han Seo s order
f you have the guts to back off go ahead
Oh man he is seriously going bad Ha li's absence is taking too much of effect on him
Ih There she is
The real thing is a lot better than the picture we saw

Shoot - stupid old geezer and perverted rorikon calling him worthless
She is completely into him
Front side back he's perfect in every angle That's Sin Joo Park
Argh am getting stress again need Hyeong Cheol need friends
That's why you don't have friends

can see through his head clearly He really is going to destroy Aram
know him I've spent more time with him than you

Your... your source of trust is the amount of time you've spent with him?
Of course
Han Seo is not such a bad guy. He is probably trying to scare a little bit. Only few special ones can exceed a certain line
Why can't you realize that Han Seo is on top of "special ones"?!

Ahah Aram
But f do go will be admitting that she is my gir
Besides f r ,sh to get there because of one phone call she will be kidnapped once per month on a r egular basis So forget about her They will give up on her then
After she is attacked
It can't be helped Rather than keep being kidnapped it's better that way f lucky enough she will end up breaking an arm or two

You bastard !

ou hold a microphone with that kind of singing skill I've never seen such a tone deaf like you
ou are a source of noise pollution
f you ever hold a microphone again will kill you

Time's over Begin

This is why I kept telling you to run away
What now?!
I have a question
Why are you doing this?
Te Hu is not a kind of guy who buys other's grudge
Of course since you are being very pushy take that you do have a reason
Tell me the reason if it's sensible
Then I will be quiet when you do it
Be what you are not the owner of Aram's body
Sensible reason

So your party is over now
ou'd know that she has nothing to do with Te Hu kang f you did read the newspaper
Fiancee
Ah don't expect the likes of you to remember
Ah remember The headline was something like Grand battle of engagement party
A couple broke up
It doesn't matter whether she is your fiancee or not The only female that has ever hung around Te Hu kang is that one
Hear that

Just how many times have you gone out with him and cheated on me ?!

Shut up f you haven't why would they have mistaken you as his woman ?!

Why are you venting your anger on me ?! Aren't you here to save me ?

But feel sorry for Ha Ji
This is probably her first
proposal ever in her life
She must be hurt

Are you even a human being ?! Is this what you think after being rejected by someone you proposed for the first time in your life ?!
But I haven't eaten a decent lunch today
Well - Sin Joo's reaction was expected It can't be helped I am not a kind of girl guys like
Is that what the guy Han Seo said to you ?

Did she
not see me
Or has
she given
up on me
That s
a nice
idea

Could it be
that
she has
really given
up on me

Why
Don't you have patience
You are giving up because you were rejected once
Ah sorry
I tend to get nervous in front of you
You don't seem to have much emotions So
Come back

Come back
Extremely miserable

am glad you seem to be recovered think your presence is needed here to lighten up the mood

Speaking like that to me guess really don't have a hope do
Aram don't think she is that bad She wasn't even responsible for my incident but she hasn't said anything to defend herself to cover me was quite surprised to see that actually
think she's thoughtful unexpectedly
don't really think she's thoughtful
think can back off for such a person

Would you kiss me for the last time

What do you think you are doing
Damn it She is going to have another misunderstanding
believe it is none of your business
ou were going to proceed with age 18 or higher content here
Nowadays kissing isn't even 18+ content

What's wrong with you?!
Let go of me ! I am going to kill her ! Let me go !
Don't you have shame. Sin Uoo is going to get tired of me.
Tell me ! What were you two going to do ?!
What were you two going to do?!
This .. this is too close !
